

Silent Service 3D, LLC

CAPABILITY STATEMENT

ABOUT US

S23Dgov is a leading technology solutions provider focused on delivering exceptional services to federal agencies. With a deep understanding of government requirements and a commitment to innovation, we aim to help our clients achieve their mission-critical goals.

Our team consists of highly skilled professionals with extensive expertise in navigating the intricacies of federal procurement processes and regulations. Through our strong partnerships with industry leaders and our unwavering dedication to customer satisfaction, we consistently deliver cutting-edge solutions that address the unique challenges faced by federal agencies.

OUR SERVICES

- ☒ **Additive Manufacturing**
- ☒ **Fully Customizable & Operational Parts & Prototypes**
- ☒ **Post-Processing for Multiple Finishes & Colors**
 - Silicone / Molding Servicesion.

PAST PERFORMANCE

- As the CEO of Silent Service 3D Printing, LLC, I take immense pride in leading a company that is at the forefront of the additive manufacturing industry. Leveraging our proficiency in 3D printing, modeling, and consulting, we have been delivering specialized products and services to both local and national consumers and businesses.
- My experience is extensive and diverse. I am certified in over 72 printers, including filament, large format, MJF, and resin printers. With six years of hands-on experience in building, maintaining, designing, printing, and post-processing for 3D printing, I ensure the delivery of reliable and cost-effective solutions. My credentials include over 18,240 hours of print time with multiple printers running simultaneously, the ability to work proficiently in a variety of CAD software, and both personal and professional knowledge of the patent process.
- As an expert engineer, I offer more than just leadership. I provide research and development support, developing advanced solutions for specific applications. My commitment to quality assurance meets the highest international standards, reinforcing Silent Service 3D Printing, LLC's reputation as a trusted partner in additive manufacturing and related services.
- My mission is to propel the company forward, aiding entities in maximizing their potential and making their projects a reality. I am dedicated to offering the highest level of expertise and look forward to continuing to serve our customers with unwavering commitment.

NAICS CODES

- 325199 - All Other Basic Organic Chemical Manufacturing
- 325211 - Plastics Material and Resin Manufacturing
- 325220 - Artificial and Synthetic Fibers and Filaments Manufacturing
- 326122 - Plastics Pipe and Pipe Fitting Manufacturing
- 326299 - All Other Rubber Product Manufacturing
- 332913 - Plumbing Fixture Fitting and Trim Manufacturing
- 333248 - All Other Industrial Machinery Manufacturing
- 335132 - Lighting Fixture Manufacturing
- 335991 - Carbon and Graphite Product Manufacturing
- 336413 - Other Aircraft Parts and Auxiliary Equipment Manufacturing
- 336415 - Guided Missile and Space Vehicle Propulsion Unit and Propulsion Unit Parts Manufacturing
- 336992 - Military Armored Vehicle, Tank, and Tank Component Manufacturing
- 337920 - Blind and Shade Manufacturing
- 339112 - Surgical and Medical Instrument Manufacturing
- 339995 - Burial Casket Manufacturing
- 424610 - Plastics Materials and Basic Forms and Shapes Merchant Wholesalers
- 541410 - Interior Design Services
- 541490 - Other Specialized Design Services
- 541715 - Research and Development in the Physical, Engineering, and Life Sciences
